Work Study Policies

Contract Agreement Process

A potential work site fills out the Work Site Application, 22-10219, and submits it to VA Work Study.

Work Study reviews the 22-10219 and sends notice of approval or denial to the work site.

The approved work site finds a student; or a student finds a work site willing to bring them on.

The student completes the Application for Work Study Allowance, 22-8691.

The work site will send the completed student application to Work Study.

Work Study will review the application and send the Time Record, 22-8690, and student agreement form, 22-8692, for approved contracts.

The site supervisor will obtain the student's signature on the student agreement, 22-8692, and return it to Work Study.

The site supervisor will send completed Time Records, 22-8690, and future contract requests to Work Study.

*The student's 22-8691 is good for 1 year unless they're switching benefits or work sites. The work site's 22-10219 is good for 1 year.

Public Law 116-154 Improvement to Work Study Act

Public Law 116-154 Highlights

- Public Law (PL) 116-154 added 38 U.S.C. 3485(a)(4) which allows a 154 Administering Facility (154AF) to pay WS 8690-Time Records for all students receiving GI Bill benefits at their facility, and non-154AF facilities. 154AF participation is voluntary.
- A 154AF can be an approved education facility that has a Facility Code assigned to it, with students receiving GI Bill benefits at that institution. These can be Institutions of Higher Learning, or Non-College Degree facilities.
- A Non-154 Administering Facility (non-154AF) is an approved VA WS work site that is not approved to administer the payment of Work Study benefits due to them not meeting the requirements of being an educational institution that has GI Bill students receiving VA Education benefits at that site. These include VA Regional Offices, VA Medical Centers, VA National Cemeteries, other VA Facilities, State Cemeteries, State Approving Agencies, Domiciliary Care Facilities, non-VA Facilities, and Vet Success Centers.
- If a student is enrolled at an approved 154AF educational institution, and that same student is a Work Study at a non-154AF work site; that non-154AF does not have the option to opt-out of the 154AF certification and payment system.
- Approved 154AF will be receive a lump sum amount which must be used to pay VA Work Study students only.
- Academic year and funding: August 1st to July 31st.
- An educational institution wanting to be a 154AF must complete and submit the PL 116-154 Participation Form, 22-10270, within the open enrollment period. They must also submit a Position Description with a 22-10219, to VA WS for review and dis/approval every year (if the 154AF has WS students working there).

Administering Facility Responsibilities

- Be aware and follow all pertinent laws, policies, and changes applied to the Work Study program
- Provide customer service to all work sites your GI Bill students work at, as well as to the WS students
- Provide a Point of Contact for WS, who is a permanent employee of the 154AF
- Pay students at both your 154AF, and non-154AFs, including advance payments. Payments must be processed within 5 business days
- Immediately submit all processed VA Form 8690-Time Records, and VA Form 8692-Agreements, to the VA WS department (within 5 business days after processing)
- Only pay for time worked during the approved contract dates, at the approved work site, after receiving the signed 8692-Agreement. VA Work Study is still responsible for approving contracts.
- Be aware of State/Federal minimum rate changes, updating records and paying those rates
- Be responsible for collecting all debts. For example, the student was overpaid due to them terminating enrollment, yet they still worked
- Keep and maintain reconciliation reports in a format acceptable to Work Study. Submit those reports to Work Study monthly.
